### Determining Search Phrases

Write the search phrase, exactly as you would enter it in a search engine, for each of the following.

1. What search phrase would you use to find a map of Kansas?

\_\_\_\_\_

2. What search phrase would you use to find information about the pandas at the Atlanta zoo?

\_\_\_\_\_

3. What search phrase would you use to find a picture of cranberries?

\_\_\_\_\_

4. What search phrase would you use to find records about volcanoes?

\_\_\_\_\_

5. What search phrase would you use to find how strong gravity is on the moon?

\_\_\_\_\_

6. What search phrase would you use to find information about Prudence Crandall and her school?

\_\_\_\_\_

7. What search phrase would you use to find information about Paul Revere's life?

\_\_\_\_\_

8. What search phrase would you use to find electronic flashcards for your math facts?

---

9. What search phrase would you use to find the definition for computer virus?

---

10. What search phrase would you use to find a list of (or information about) good study habits?

---
